CFR No: _____	

### VESSEL DETAILS (to be completed before service activation)

The undersigned declares and accepts that the details herein are correct.

#### For the Client:

Date:

Name:

Signature and Stamp:

## **VMS Explanation**

Since 2019, **CLS TRITON VMS** transponders are the official VMS beacons which must be installed on all Irish Fishing vessels designated by SFPA.

The **TRITON** (<https://fisheries.groupcls.com/fishermen/vms/>) is a state-of-the-art VMS transponder used in more than 30 countries in the world. The **TRITON** is specially designed for fishing vessel monitoring. It automatically transmits the position, speed, and heading of the fishing vessel thanks to the Iridium satellite system.

Warranty of the **TRITON** is valid for 3 years<sup>1</sup> from the date of installation or from the 1<sup>st</sup> January 2020 whatever comes first. This warranty includes the replacement of any faulty equipment. The warranty does not cover travel and labour costs, which are the responsibility of the vessel owner. These travel and labour costs are covered only if you choose the Maintenance and Support Package as described below.

## **VMS Airtime Fees**

<b>VMS ANNUAL FEE : 220 EUR*</b>	CLS will invoice this amount in EUROS
<b>Reactivation fee to be paid if VMS suspended due to delay in payments: 50 EUR</b>	Will be invoiced at the time of re-activation

\*The VMS annual fee includes the access to FISHWEB (<https://fisheries.groupcls.com/product/fish-web/>), a web-based platform that gives the owner complete tracking of his/her own vessel.

Do you want to create a Fishweb account? YES ☐ NO ☐

## **VMS Maintenance and Support Package**

CLS and its local partner **Barry Electronics Ltd** have proposed a 3 years Maintenance and Support service for the **TRITON** installed in Ireland for a of 3 years. The objective is to ensure quality and fast maintenance service if some problem might arise with your VMS transponders.

The assistance procedure is the following:

*1/ The Fisherman contacts Barry Electronics call centre (From Monday to Friday, 8:30am-5:30pm) at: **00353 (0)74 97 31 215**. If the situation occurs outside working hours, please contact directly CLS' operation centre (English spoken) working 24/7/365 at: **00 33 5 61 39 47 93**.*

*2/ During phone contact, the operator will do a first analysis of the problem and the 1<sup>st</sup> level of support (verification of the power supply, tests button, analyse the LED colours, etc.).*

*3/ If a physical intervention is needed, Barry Electronics will propose a time and place for an intervention as soon as possible following the return to port after a terminal failure.*

<sup>1</sup> Specific Conditions for the Irish project derogating from CLS General terms & Conditions of sale

4/ After the intervention is complete, a report of the intervention will be written. If needed, this report of intervention can be sent to the SFPA.

### **VMS Maintenance and Support Fees**

#### **MAINTENANCE AND SUPPORT COSTS PER VMS TERMINAL**

The maintenance and support costs for the VMS terminal will be charged as follows:

Maintenance offer by CLS at a rate of:

- 1<sup>st</sup> Year: €99 per vessel
- 2<sup>nd</sup> Year: €99 per vessel
- 3<sup>rd</sup> Year: €99 per vessel

1<sup>st</sup> Year starts at date of installation.  
Dates of consecutive years follow 1<sup>st</sup> Year start date.

Do you want to select the Maintenance and Support Package?

Yes ☐

No ☐

*\*VMS maintenance and support are optional for these periods and can be waived by the client. In this is the case, please be aware that if you experience a VMS failure then there is nothing to guarantee a swift VMS repair and your vessel could be tied up in port for a prolonged period until an agent has time and material ready to attend to the visit.*

### **VMS Installation**

The Installation process is highly important for the durability and proper operation of the TRITON in fishing vessels. As a CLS Service Point, Barry Electronics Ltd has a team fully trained and audited for the TRITON installation and has partners in many locations in Ireland. To arrange the TRITON installation, please contact them at: **00353 (0)74 97 31 215** or by email at: [vms@barryelectronics.ie](mailto:vms@barryelectronics.ie)

**You will be asked to indicate the dates/periods when vessel is available for installation.**

**For the Client:**

Date:

Name:

Signature and Stamp:

The Client acknowledges that he/she has read and understood the general conditions of sales, the special terms if any, and the technical and financial conditions, and unreservedly agrees to comply with them. All CLS's conditions are available on [www.cls.fr](http://www.cls.fr)

**To validate this contract, please send to SFPA**

**[sfpa\\_ers@sfpa.ie](mailto:sfpa_ers@sfpa.ie)**

## **Billing Process and Payment Terms**

### **Billing**

- For the VMS yearly fee, invoices will be issued every year according to activation date and will be due at 30 days.

The yearly VMS fee covers all current regulatory reporting requirements.

- For maintenance & support costs, invoices will be issued every year with the VMS yearly fee and will be due at 30 days.

### **Payment**

- Please tick your choice of payment method:

☐ Automatic payment order. Please complete and sign the **SEPA Direct Debit Mandate**

☐ Wire transfer indicating your invoice number to:

**Bank: SOCIETE GENERALE**

**Account: 30003 02110 00020041087 73**

**IBAN: FR76 3000 3021 1000 0200 4108 773**

**Swift: SOGEFRPP**

**Sort Code: 23-22-63**

☐ Electronic payment with MyPayment CLS (<https://mypayment.cls.fr>)

It is the responsibility of the vessel owner to advise CLS through e-mail at [sales.fisheries@cls.fr](mailto:sales.fisheries@cls.fr) to cancel the contract where the vessel is sold, de-registered or laid up and not in use. Please indicate in your e-mail the vessel name, cancellation date, the reason and TID number of the CLS Triton.

## SEPA Direct Debit Mandate

By signing this mandate form, you authorise CLS to send instructions to your bank to debit your account and (B) your bank to debit your account in accordance with the instructions from CLS.
