China Import Food Enterprises Registration (CIFER) Guide – How to Modify Registration Information

Registration Information Update to be Carried Out by all Exporters to China

STEP 1

Go to the below link and use your login credentials to login.

Link: <u>https://cifer.singlewindow.cn</u> (Should be accessed using Google Chrome selecting EN option at the top right of login screen)

Please Note: If you have not previously logged in to the system and changed your password, you can use the login credentials received from the SFPA Trade and Audit Unit in January 2022 to log in at the link above to update your information.

| 进口食品境外生产企业注册管理系统 China Import Food Enterprises Registration | | Registered List | EN 🕈 | |
|--|---|-----------------|------|--|
| | LOGIN OR REGISTER | | | |
| | Usemame | | | |
| | Enter Code Shown in Image | | | |
| | Login | | | |
| | Forgot password Create an account Not a Overseas Manufacturing Enterprise? <u>Click Here</u> | | | |
| | 前行總計館位:中国地子口岸数勝中() China E-port Data Centre | | | |

It may happen that upon entering your login details, you get a 404 error as shown below. If this happens go to the web address field as indicated, which will be showing the following URL - <u>https://cifer.singlewindow.cn/ciferwebserver/</u>. Delete *ciferwebserver/* and hit Enter and you should gain access to your account.
